PADI / PSS Course Info

Please note that all courses upto and including the Open Water Diver course include free equipment rental. All other courses are subject to equipment rental at the usual rates.

All course dives are conducted on the House Reef PADI Manual and certifications fees are included where applicable.

TGI Diving Marsa Alam offers many PADI specialty diver courses including Perfect Buoyancy, Night, Deep and more. Please ask us for details.

Safety

In the interests of safety all divers must be able to monitor their dive depths and times, and should not intentionally exceed those limits. Therefore all divers must be equipped with a dive computer in order to safely plan and conduct their dives. For all unguided dives and all boat dives it is required that each buddy team has a DSMB.

Snorkeling Excursions

Marsa Asalaya

A half day trip with guided snorkeling in the Bay with a good chance of meeting the fascinating Dugongs, sea turtles and guitar sharks, as well of seeing a whole range of beautiful reef fish and corals.

Sharm El Loly

A beautiful bay, with a white sandy beach, home to many different kinds of reef fish and hard corals. The bay is shallow and very well protected, perfect for first time snorkelers.

Abu Ghusun

The only accessible wreck in this area of the Southern Red Sea!
With a maximum depth of 18 meters its perfect for all levels of divers, and snorkelers can also enjoy it from the surface!

Sh'aab Marsa Alam

From Marsa Alam port we will reach this spectacular reef emerging from the surface. While snorkeling along this reef beside the rich marine life, we might also meet schools of Stenella dolphins. An unforgettable experience!

Dolphin House

We will reach a horse-shoe shaped reef, house of many dolphins that here have their home and return in the morning. The reef is absolutely spectacular, with many anemones and a colorful sea-life.

Sataya

Departing from the port of Hamata a wonderful boat trip to Sataya, close to Berenice. Here you can see pristine unspoiled corals in a wonderful untouched area. Very often a large family of Dolphins pay us a visit.

Hamata Islands

After a short boat trip you will reach the stunning white sandy islands of the Archipelago, also known as the Egyptian Maldives. Here you will have time to snorkel around the beautiful lagoons. A careful eye can also spot many migratory birds at certain times of the year.

Sh'aab Lahmy

At the edge of the National Park. This destination is reachable with a short navigation and will leave you breathless for its incredibly alive reef. Sea turtles, moray eel and other many inhabitants of this gorgeous reef wait for your visit.
